ONE FAMILY, ONE FAITH, GROWING TOGETHER CAPITAL CAMPAIGN

By Fr. John Marconi

Our Capital Campaign is doing well while only 40% of our Holy Souls families have contributed. Of our \$3 million goal, we have \$2.8 million pledged and have collected \$1,880,086 to date. With these funds we have renovated the church lighting, sound and security, replaced the flooring in the parish hall, replaced the school elevator, and added

the covered drop off at the Allen Center at a total expense of \$1,069,150. This leaves a balance of \$797,954 in savings and \$1,119,913 in pledges remaining to be collected.

I am grateful for the generosity of many who have helped us to make repairs and improve our campus. However, the next phase of our Capital Campaign is the largest project item - the expansion and STEM lab for the school. Safety and Security are important issues for many, so during the planning phase, we discussed adding a safe room for our children. The cost estimate of the current design has greatly exceeded our budgeted amount for this phase of the work. We are presently considering alternate designs to get the project into budget. However, it has become apparent that in order to include all the items the school requires, we will need more funds.

With this information, and the Campaign reaching the half way mark, I appeal to the many who have not contributed to the Campaign to consider making a pledge. Secondly, I appeal to all Our Lady of the Holy Souls School parents. The STEM lab and expansion of the school are for your children. Only a small percentage of our school parents have contributed to the campaign. The

only way that we can better our school with a STEM lab is with your help. The money received will determine what we are able to accomplish in the next year.

Again I am grateful to all who have contributed to the campaign, due to your generosity and stewardship, we continue to grow and improve our campus. In the vestibule of the church and the School Office, next to the campaign poster, there is some campaign information for you to pick up in the next month. Or you can call the church office and talk to our Business Manager, Shelley Tienken.

By June of 2021 we hope to bring this Capital Campaign of **One Faith, One Family, Growing Together** to its completion. Again thank you for your generosity for the Campaign and for all those who continue to make Our Lady of Holy Souls, a strong, vibrant growing community of faith. God Bless.

Creative Things to Do For

by Jennifer Miller, Dynamic Catholic, Best Lent Ever

Don't eat what you want, deny yourself.

Give something away every day.

Don't interrupt people.

Stop complaining.

Don't waste downtime.

Spend time in the classroom of silence.

Read the Gospels.

Sit in the church with Jesus.

Do an Act of Love every day.

Prayer *for Priests*

O Jesus, I pray for Your faithful and fervent priests; for Your unfaithful and tepid priests; for Your priests laboring at home or abroad in distant mission fields; for Your tempted priests; for Your lonely and desolate priests; for Your young priests; for Your dying priests; for the souls of Your priests in purgatory.

But above all, I recommend to You the priests dearest to me; the priest who baptized me; the priests who absolved me from my sins; the priests at whose masses I assisted and who gave me Your Body and Blood in Holy Communion; the priests who taught and instructed me; all the priests to whom I am indebted in any other way. O Jesus, keep them all close to Your heart, and bless them abundantly in time and in eternity. Amen.

Lent 2020

by Susej Thompson, Pastoral Music Director

As we approach what I lovingly refer to as the “most wonderful time of the year,” I am aware that, perhaps, not everyone shares my excitement. It’s not the easiest time of the year, but it makes me so grateful to be part of a faith that practices sacrificial love and the emptying of self, so that God can fill us. As it states in John 3:30, “He must increase, but I must decrease.”

As you may already know, the word “Lent,” simply means “spring.” This is interesting to me because I think of spring as a joyful season, brightly colored, and full of newness of life. Conversely, I tend to think of Lent as desert, parched and thirsting for water. The church is seemingly full of paradoxes, but it always makes sense in the end. It’s like the “paschal mystery.” I once heard those words explained simply as the fact/phenomenon that life and death are always going on at the same time. As we hunger, God fills us. As we suffer, we receive God’s consolation. As we draw nearer to God, he draws nearer to us. As we die to self, we become more alive with Christ. Lent is a spiritual springtime in which our souls are renewed and cleansed so that we make room for Jesus to take deeper root in our hearts.

Every year, Fr. John and I meet to discuss how we can reflect the essence of Lent in the music at our liturgies and I’d like to share with you some of the elements we have chosen. First, we will continue to follow the liturgical guidelines of not having any special vocal or instrumental performances and choir anthems during Lent. We will stick to what can be sung by the whole assembly. You will also notice a little more penitential focus to the songs that we will sing at Mass. However, even though it is Lent, we still celebrate the Resurrection of the Lord on Sundays, so there will be joyful music as well. This year, we have chosen a prayer to focus on as a parish called “The Litany of Humility.” This prayer, by Merry Cardinal Del Val, secretary of state to Pope Saint Pius X, is in the “little blue book,” or “The Pieta Book,” as many call it. Each week, we will pray this prayer in song form at offertory. There will be a card available that has the sheet music on one side and the full prayer text on the other.

Additionally, we will chant the parts of the Mass (vs. using more contemporary versions), we will chant the “Our Father,” and at communion, we will sing a meditative refrain several times before we sing our communion song. Fr. John loves the practice of the meditative refrains used in the Taize community in France and considers it very spiritually powerful to just meditate on those scriptures or thoughts as we walk up to receive our Lord in communion.

Please know that our love and prayers are with you for a transformational Lent.

Litany of Humility

O Jesus, meek and humble of heart, hear me.

From the desire of being esteems, Deliver me, Jesus.

From the desire of being loves, Deliver me, Jesus.

From the desire of being extolled, Deliver me, Jesus.

From the desire of being honored, Deliver me, Jesus.

From the desire of being praised, Deliver me, Jesus.

From the desire of being preferred to others, Deliver me, Jesus.

From the desire of being consulted, Deliver me, Jesus.

From the desire of being approved, Deliver me, O Jesus.

From the fear of being humiliated, Deliver me, O Jesus.

From the fear of being despised, Deliver me, O Jesus.

From the fear of suffering rebukes, Deliver me, O Jesus.

From the fear of being calumniated, Deliver me, O Jesus.

From the fear of being forgotten, Deliver me, O Jesus.

From the fear of being ridiculed, Deliver me, O Jesus.

From the fear of being wronged, Deliver me, O Jesus.

From the fear of being suspected, Deliver me, O Jesus.

That others may be loved more than I, Jesus, grant me the grace to desire it.

That others may be esteemed more than I, Jesus, grant me the grace to desire it.

That, in the opinion of the world, others may increase and

I may decrease, Jesus, grant me the grace to desire it.

That others may be chosen and I set aside, Jesus, grant me the grace to desire it.

That others may be praised and I go unnoticed, Jesus, grant me the grace to desire it.

That others may be preferred to me in everything, Jesus, grant me the grace to desire it.

That others may become holier than I, provided that

I may become as holy as I should,

Jesus, grant me the grace to desire it.

PRAYER To OUR LADY OF CONFIDENCE

O Mary Immaculate, the precious name of Mother of Confidence, with which we honor thee, fills our hearts to overflowing with the sweetest consolation and moves us to hope for every blessing from thee. If such a title has been given to thee, it is a sure sign that no one has recourse to thee in vain. Accept, therefore, with a mother's love our devout homage, as we earnestly beseech thee to be gracious unto us in our every need. Above all so we pray thee to make us live in constant union with thee and thy divine Son, Jesus. With thee as our guide, we are certain that we shall ever walk in the right way; in such wise that it will be our happy lot to hear thee say on the last day of our life those words of comfort: "Come then, my good and faithful servant, enter thou into the joy of thy Lord."

Amen.

Grateful Stewards of God's Gifts...

by Laura G. Humphries, CT
Parish Life & Stewardship Director

*Then would the waters have overwhelmed us;
the torrent would have swept over us.*

Psalms 124:4

In moments or seasons of overwhelmingness, we have only two options. We can either choose fear, or we can choose love. As impossible as it seems, especially when we are overwhelmed by so many things at once, it really is that simple. If we choose fear, we choose to focus on the chaos, the situation, the circumstance, the impending doom and everything that is wrong with this picture. Consequently, these things grow, increasing our anxiety, our misery, our suffering, and then we are overwhelmed. If we choose love, we choose to focus on God. Which is to focus on his power and his wisdom rather than our own perceived lack. We choose the peace that transcends understanding. We choose to have our minds blown by a miracle. We get to pick what we look at in any given moment. Do we choose fear or love? What we focus on expands.

An excerpt from Living Faith

Life is about choices. Once we are old enough to think for ourselves we begin making choices. Some of them are good and some, not so good. There probably are people that have never made a bad choice, that have always done the right thing. That is probably not all of us. I can clearly remember making some bad choices in my life, some pretty painful and some pretty stupid. Hopefully, I learned from them. I, for one, though choose love, to focus on God, on his power and his wisdom, and the peace that transcends understanding.

When we are overwhelmed by something it is good to sit back and look at the big picture, make sure we are looking at it from a wide angle lens. The best thing to do when faced with a problem that seems to be larger than life, is to pray. When things get too hard, we must turn to God and ask for his help, he will help us but we have to ask. The apostle Paul said he could do all things in Christ, but he couldn't do it alone. That is what is important. We tend to get too self-dependent and forget that we, as believers, must ask God for help and he will help us. We must surrender to God. We do have to remember that he doesn't do *our will but his* and it doesn't always happen on our time schedule. Help will come if we have faith. We are reminded of his help in the old prayer: *The Lord replied, "My precious child, I love you and I would never leave you. During your times of trial and suffering, when you see only one set of footprints, it was then that I carried you."*

Encounter Jesus, Serve Others

THIS IS MY BODY GIVEN UP FOR YOU

A Lenten Mission of the Eucharist

A recent Pew Research Survey concerning the Eucharist discovered that:

- * **70% of Catholics believe the consecrated bread and wine are just symbols**
- * **43% of this number believe that this is what the Church teaches.**
- * **30% of Catholics believe that the bread and wine really become the Body and Blood of Jesus**

With which group do you identify? What about members of your family? Your Catholic friends? Your friends who no longer attend Mass? Or maybe you no longer attend Mass regularly.

Regardless of which group, the Holy Souls Lenten Mission "This Is My Body Given Up For You" is for you and for them.

The Mission will be held on 3 consecutive nights at 7 in the Church. Each night will feature a different presenter and a different perspective on the Eucharist:

Msgr. Scott Friend

Fr. Jeff Hebert

Fr. Patrick Friend

- **Monday March 30 - Msgr. Scott Friend: EUCHARISTIC VULNERABILITY**
- **Tuesday March 31 – Fr. Jeff Hebert: EUCHARISTIC GRATITUDE**
- **Wednesday April 1 – Fr. Patrick Friend: EUCHARISTIC PRESENCE**

This can be a reawakening moment for all of us in Holy Souls parish. Consider what Fr. Thomas Darby, Rector of St. Charles Borromeo in Philadelphia, recently said:

**"People don't go to Mass because they don't believe in the Real Presence.
And they don't believe in the Real Presence because if it were true,
wouldn't the churches be full?"**

We want to fill our Church to celebrate the Real Presence of Jesus
in the Eucharist, and we want to send everyone out
to witness what they have received.

Please join us.

Facilities and Special Events Coordinator

Spring, Summer, Winter, or Fall, what is your favorite season of the year? Why is that your favorite time of the year? Spring is upon us and this campus will begin blooming and budding in all God's pollinized glory. Did you know that most of the flower beds around the Holy Souls landscape are cared for by volunteers? We have a great group of volunteers we call our *Garden Angels* that put in a lot of time and care around this beautiful campus. It is an old campus and not without its challenges on a regular basis and that certainly includes the landscape. We request the *Garden Angels* do their work quarterly, or as needed throughout the year. Different areas certainly have their different needs and requirements. We have areas that need minimum effort and time, and some that require more maintenance. Some parishioners donate their own plants and or cuttings to cultivate new plants to share with the church, which we love, and some we purchase to be planted. Each *Garden Angel* is responsible for his or her own designated area. We communicate with each other throughout the year to keep things moving smoothly. If someone is unable to get their work done, we are very lucky to have others who are willing to fill in when needed. If you love to spend time outdoors and would like to become a *Garden Angel*, we do have some areas currently in need. You can do it with a friend, or it's a great family activity to do as well. We would love to have you as a *Garden Angel* of Holy Souls! We really appreciate the efforts and want to thank all of our volunteers who work in so many ways to keep such a fabulous Parish running. It is not only gratifying to see God's glory in nature every time we come to worship in the church, but also to see all the fruit of our cultivation that is created inside the walls of God's home. We would also like to thank Schneider Lawn and Landscape and Deadman Lawn service for their continuous help, care, and donations to the Holy Souls Landscape. Please contact Susie Williams in the church office if you are interested and we will gladly get you plugged in. swilliams@holysouls.org or call the church office.

Angel Trees Help Santa!

The generosity of Holy Souls parishioners was keenly felt at Women and Children First and Methodist Family Health Behavioral Hospital this past Christmas Eve. Collectively, we helped bring Christmas cheer to 60 children at Methodist Family Health and 35 women and 38 children at Women and Children First. One child remarked that it was her very first Christmas even though she was five years old. Santa and his group of Elves for sure hit a home run. But we hit a home run because of the love shown by Holy Souls Church.

Also your generous donations helped seven Birthright families enjoy a wonderful Christmas! And hundreds of Helping Hand clients were able to select Christmas presents for their children.

Thank you Holy Souls Parishioners for bringing Christmas joy to so many needy families! May God bless you for your truly amazing generosity!

walking with purpose

The ladies of Walking With Purpose have been participating in the studies *Opening Your Heart* which explores fundamental questions of our Catholic faith and our relationship with Jesus Christ, and *Touching The Divine* which focuses on the many qualities Jesus revealed through the Gospel of John.

This fall, WWP at Holy Souls will offer *Discovering Our Dignity* which dives into the women of the Old and New Testament and how the power of God worked in their lives. Through their stories recorded in Scripture, women of the Bible reach out to touch our “present” in a tender, home and loving way —woman to woman — with ancient wisdom, sage advice and insights from sorrowful failures and emotional wounds. We would love for you to join us!

Watch the bulletin over the summer for more information. Women of all faiths are welcome to attend.

20 Holy Souls Parishioners and Friends Began 2020 by Saving Lives!

On January 5th, 20 of our parishioners and friends began the new year by donating blood at our Arkansas Blood Institute Blood Drive. Those 20 donations can save up to 60 lives. What a wonderful, selfless way to start the new year! Please consider becoming a blood donor in 2020. Our next blood drive will be on Sunday, March 15th.

SPEND A SPECIAL HOUR EACH WEEK WITH JESUS

Every Wednesday from 9am to 5:15pm the Blessed Sacrament is exposed for Adoration in the Church. Would you like to spend an hour on Wednesdays with the Lord? If your answer is YES, you may either sign up for a specific hour each Wednesday (we need to be sure someone is in the church every hour during Adoration) or just drop by for a visit. Please call the church office to sign up for a specific hour.

By Brent Wetzler, President

Greetings from the Holy Souls Men's Club! We started the new decade off to a resounding start by celebrating our 34th annual Shrimp and Oyster Dinner on the 2nd Saturday in January. Our heartfelt gratitude goes out to each of you who joined us for our biggest fundraiser of the year and helped to make it a bigger success than last year's event. We would also like to thank everyone who contributed to the success of the event by contributing your time, effort, and talents.

We have a few events coming up we would like to share with you as well. During Lent, we will be hosting three fish fry dinners, and these will take place March 6, March 20, and April 3 in the Allen Center. Each plate contains some of the best fish in town, and comes with fries, cole slaw, and your choice of beverage. Come join us for the food and fellowship, and don't worry if you are unable to stay – we offer carryout as well!

We are also happy to announce that the annual Robert Flynn Memorial Golf Tournament will be held May 16 at the Country Club of Arkansas. This is a four person scramble tournament with tons of prizes and a good time to be had by all. The money we raise from this tournament is used to fund scholarships for students of Holy Souls. Entry forms will be available in the near future, so keep your eyes open for those. If you are interested in donating any items to be used for goodie bags or prizes, please contact any member of the Men's Club.

In addition to our Shrimp and Oyster Dinner, the fish fry's, and the golf tournament, we have several other standing committees in our organization. We also take on special projects around the church as well. If you are interested in joining us, we meet every second Monday of the month in the Allen Center at 6:30. We begin with a special intentions rosary, followed by our business meeting, and then wrap the evening up with dinner and fellowship. If you have any questions, please do not hesitate to contact me at 501-909-9568, or by email at alexanderhogfan@live.com.

ONE CHURCH
UNITE ARKANSAS
IN FAITH AND MISSION

HOLY SOULS WILL RAISE FUNDS FOR HOLY SPIRIT CHURCH THROUGH A SECOND COLLECTION ON MARCH 28-29

The Second Collection the weekend of March 28-29, 2020, will be for the **2019-2020 One Church: Unite Arkansas in Faith and Mission Campaign.**

Begun in September 2018, each year One Church gives all of the parishes of the Diocese the opportunity to share and contribute to the growth of a rural mission church that needs assistance to become a more dynamic, thriving community. The One Church 2018-2019 campaign supported the parish of St. Luke Church in Warren raising nearly \$300,000, to help build a new church building which was dedicated on November 23, 2019.

The 2019-2020 One Church campaign is supporting Holy Spirit Church in Hamburg, Arkansas. Holy Spirit Church is a young parish with approximately 60 families. In 2013, they bought a closed Firestone Tire Store and converted it to a church and parish hall.

The parish's weekly collections cover the parish's bills, but leave little for parish programs and further renovations. The parish community would like to be able to install carpeting and do additional painting. They have the room to build a playground for the children of the parish but lack the funds. The One Church goal is to raise \$160,000, to eliminate the mortgage and allow the parish more flexibility for growing programs and further conversion of what was once a tire store.

Music Is Power And Carly Golladay Has It!

by Terri Kelly, Director of Marketing, Holy Souls School

Almost every moment in a person's life is continually underscored by music—from our birth, to our wedding to our death, our celebrations, our wars and our victories. From casual listening at home, at the movies or on TV, a call to prayer or just somebody at the door, music is there. Unlike eyes, ears can detect phenomena in any direction without having to be focused on intently.

Have you ever thought about what it takes to create that music we all enjoy?

The core of creating and articulating musical ideas seems to be 100% instinctive, like an active interplay between unconscious and conscious experience, according to an article from the “frontiers in Systems Neuroscience”. They claim it is something that you can never really control, but you can learn to harness.

To me it sounds like you're born with it or you're not.

Holy Souls School is blessed to have a music teacher/youth choir director, Mrs. Carly Golladay that was born with it!

Carly grew up in a military family so they moved a lot when she was young. Other than the moving, she grew up like most typical young women alongside her brother and sister. Carly did express an interest in music so her parents signed her up for piano lessons around the age of seven. Carly remembers learning the notes, playing different compositions, then adding or changing these pieces to create her own rendition. As she grew, her love for creating music grew and by college, she knew the path she wanted to pursue, music composition.

Fast forward several years. This talented mother, pianist, music instructor and composer will have her newest composition, *Salute*, performed in Carnegie Hall by the oldest collegiate band in the nation, Norwich University Regimental Band. The band will also be performing a piece by Michael Sweeney (Internationally recognized composer and director of band publications for Hal Leonard LLC in Milwaukee, Wisconsin, one of the largest publishers of printed music in the world).

Although this is Carly's latest composition accomplishment, it's not her first. Her string quartet *Labyrinth* (2009) was performed by the world-renowned Avalon String Quartet at the Musical Viva Festival in Blacksburg, Virginia and others have been performed throughout the U.S.

We could not be more proud of Mrs. Golladay and the way God chose her to use her gifts.

The Catholic Diocese of Little Rock is committed to protecting children and young people.

"Take care that the light in you does not become darkness." Luke 11:35

By Denise Dumars, Coordinator of Youth Ministry

Wasn't it just Christmas?! Seems like the group – and it was a very big one this year – was just Christmas caroling in the Holy Souls neighborhood. Hopefully we brightened spirits and glorified God in our joyful singing!

The Junior High leadership team had a successful night of Saints Escape Rooms. Their peers enjoyed the challenge of their puzzles while learning about various Saints. Their efforts were quite impressive!

One of our newest members at Holy Souls, Meredith Lavallais, spoke to the Senior High teens about mental health. Her professional experience and information was very enlightening, and the teens really enjoy her.

Several kids from Junior and Senior High gathered after school in November to fix spaghetti dinner for RCIA. The kids enjoy being together and cooking – some learning some good kitchen skills. We also served dinner and talked a bit about CYM to the RCIA candidates.

The Senior High sponsored the Ugly Christmas Sweater Christmas Dance, and it was quite a fashion show and great time! We played games, and the kids really like being able to dance on stage. There was good food, good music, and good fun.

Coffee, Cocoa, & Cramming took place once again at the Benedict House for the Senior High teens before their midterm

exams. Snacks and a warm, quiet place with comfy sofas is a much better place to study than a library! We even put a video fireplace on the screen....

We have had a few fundraising projects including selling Tiny Saints (we have several now in stock). On early out days at Mount and Catholic, the high school kids have come over to prepare treats to sell to the Holy Souls kids after school. Their homemade cookies and brownies are a big hit!

We had a movie night in January and watched "Overcomers," a good Christian movie. Father Erik came to the Junior High last year to speak on vocations, and Fr. Patrick Friend spoke in February to the Senior High about his vocational calling.

A handful of kids helped Birthright with their annual February fundraising mailing. Marissa Olson passionately shares her vocation of helping young women choose life and the beauty of Birthright's mission.

We are currently planning for our Spring Service day, a Junior High Lenten Bible Study, Stations of the Cross through Mary's Eyes, fundraising events including a carwash in April, and our summer events. Please pray for our teens. Our annual Souper Bowl of Caring collection was postponed, but look for the soup pots in April. The money raised goes to help fight hunger here in Little Rock.

Holy Sews Work Days

Please join us for an incredible experience. You don't have to sew or knit. We have lots of ways you can contribute to making our beautiful layettes.

We meet
from 1:30 to 4:30
at the Holy Souls
Parish Hall
on the following dates:

Sunday, March 8

Sunday, April 19

Sunday, May 17

Even if you can't stay
the entire time,
we welcome
your participation.

"It Takes Each of Us to Make a Difference for All of Us"

We are here to love each other, help each other and lift each other up.

By: Mary Sue Whitelaw

"Here I am, Lord, it is I, Lord, I have heard you calling in the night. I will go, Lord, where you lead me...." Holy Sews is filled with faithful and talented volunteers, as well as ardent supporters who have heard Jesus calling in the night and opened their hearts by continuing to give life to this beautiful ministry.

Since 2008, Holy Sews has donated over 20,000 layettes to hospitals and funeral homes across the United States and Canada to bring some small semblance of comfort to grieving families by providing them with something beautiful to honor their babies. When one considers how many loving hands have been called to serve this ministry, it is overwhelming. God is truly equipping the called through Holy Sews.

We will once again host "April Showers" during the month of April and invite all Holy Souls parishioners to bring a gift (e.g. gift card to JoAnn's, Amazon or Hobby Lobby) so that we can maintain a constant supply of all the items necessary to make a layette. This includes fabric, tunic lining, thread, buttons, ribbon, netting, cellophane packaging and much more. If you haven't been to one of our work days to see how this well-oiled machine called Holy Sews works, consider this your formal invitation to come by. You will be amazed.

In November, Karen Wallace, one of our development and marketing directors, organized a work shop for 30 nursing students from UALR who were provided the opportunity to help create layettes while completing their service hours. A neo-natal nurse from Baptist Hospital addressed the students and shared some of her experiences with families whose babies were born too soon.

One of our goals this year is to add more chapters to expand our ministry. We currently have individuals in El Dorado, St. Louis, MO, and Winston-Salem, NC, who are interested in starting chapters. We would like to have our layettes in every hospital in the United States with an OB-GYN department and having chapters in as many states as possible will make that goal attainable.

Regina spoke at a statewide meeting of the Courts of Catholic Daughters in November in Pine Bluff. Several attendees signed up to sew for us, including one individual who is interested in starting a chapter in El Dorado.

If you would like a representative from Holy Sews to speak at your meeting, please email us at info@holysews.org.

Postage is one of our biggest expenses. If anyone in our Holy Souls family has a career in healthcare and travels out-of-state or to Canada and would be interested in delivering our layettes to hospitals to save on postage, please contact us at info@holysews.org. We would like to talk with you about this volunteer opportunity.

Special thanks to our Holy Souls community of faith for supporting our mission for the last 12 years through your time, talent and treasure. We are humbled and truly grateful for your affirmation.

Our volunteers put love in every stitch and it shows in the details.

UALR nursing students fulfilled their community service hours by helping Holy Sews package layettes.

FUNERAL LUNCHEON MINISTRY

Our Funeral Luncheon Groups prepare a meal for the family following the funeral of their loved one.

We have four groups, so when you sign up to help you will only be called to help occasionally.

You can prepare the food and drop it by the church office on your way to work or bring it when you come to the funeral and drop it off at the Parish Hall. If you don't like to cook, you can buy a dessert, salad, etc. You can serve at the luncheon and help clean up! You can even donate dollars to the Funeral Luncheon Fund.

The families of the deceased are always very grateful for this service and always comment on the warmth and care exhibited by the volunteers. It is a wonderful service to bereaved families.

There are many ways you can help; please call the church office to join a group.

Altar Society

The Altar Society officers have had a great two years as your leadership team, but are now looking to pass the baton! If you are interested in learning more about becoming an officer, please contact Caroline France at altarsociety@holysouls.org.

Altar Society has had a great year so far with a cooking demonstration by Chef Tyler Husser at our January meeting, followed by a paint-along with Susie Williams at our February meeting. Everyone had a wonderful time tapping into their artistic side while also learning there is beauty in the imperfections.

Thank you to everyone who came out and danced the night away at our first Father Daughter Dance. All of the couples looked beautiful, and we hope everyone had a blast and made memories that will last a lifetime!

Please help us continue a great year
and join us at our Lenten meeting
Tuesday, March 17 at 6:30pm in the Parish Hall.

When it's time to give
a gift,
give the gift of the
Monsignor Allen Trust
